SPECIAL EDITION
ANNUAL 2025
PRINT & DIGITAL

ident

The Magazine for Automatic Identification & Digitalisation

Barcode | Printer | RFID | Mobile IT | Scanner | NFC | Sensors | AI | IoT | Labeling | Logistics Software

The ident annual is the user's guide that connects project decision makers with suppliers, manufacturers and collaborators.

The Target Group

The ident annual is the directory of companies in the Auto-ID industry and presents their range of services. It connects project decision makers with suppliers, manufacturers and cooperation partners in the areas of hardware, software and system integration. The technical articles are written by the ident editorial team and recognized industry authors.

Contents of the annual

»What‘s this over here?«

»He‘s heading für that small moon.«

»That‘s no moon. It‘s a space station.«

»Not that one, the other.«

»I see. This is the new ident website.«

Our Internet portal **ident.de** with the latest news from the Auto-ID industry the extensive magazine archive and the supplier directory, our Internet portal is not only a source of information, but also a connecting element for hardware manufacturers, software developers, system integrators and end customers - now technically revised, even more user-friendly and with better performance.
