

V&K Lagerlogistik GmbH,
Am Schaubacher Berg 17,
64401 Groß-Bieberau.

V & K Lagerlogistik-Service GmbH was founded in the year 2000 as a Logistics Industry service company by owners and managers Manfred Vetter and Michael Krüger.

Specialised in Warehouse Logistics and Warehouse Management services

Including the supply and maintenance of industrial printers for labels, barcode scanners, wireless data transmission systems, and the supply of consumables needed in warehouse logistics.

Over the years, the focus of the business has increasingly shifted towards the supply of label printers and the associated supplies and consumables.

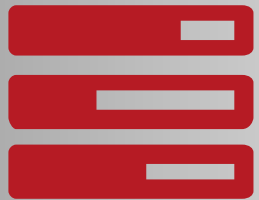

V&K Lagerlogistik-Service is Germany's leading specialist for thermal bars

Approx. 1,200 Industrial printers sold per year from all commercially available manufacturers (as of 2024).

Approx. 15,000 printheads sold per year for all commercially available label printers (as of 2024).

Annual revenue of approx. 6,500,000€ (as of 2024).
